Dear Customer,

**Re: Health Insurance Policy - P/161130/01/2024/020238**

We are extremely thankful for availing health insurance from us and we enclose the policy along with the terms and conditions.

The said policy has been prepared based on the details furnished by you in the proposal form (copy enclosed) and the medical reports, wherever applicable. We shall thank you if you can verify the policy to ensure that all the details are incorporated correctly as per the proposal. In case of any discrepancy noticed, please communicate the same to us immediately. You will appreciate that it is the primary duty of the proposer to fill the proposal form and also to make sure that the proposal contains all the details correctly so also the policy has incorporated the details correctly. If you or any of the insured person(s) have suffered or suffering from any of the diseases which has not been mentioned in the proposal, the claim that may arise will result in the repudiation of the claim/ cancellation of the policy. The other option for you is to continue with the previous insurer.

This insurance policy is subject to various exclusions including exclusion for pre-existing diseases and conditions in this policy.

We would like to mention that we have incorporated the name of the intermediary as indicated by you in the proposal who will be of assistance to you.

The policy is subject to the condition of "free look period". As per this condition, a free look period of 15 days from the date of receipt of the policy is available to you to review the terms and conditions of the policy. In case you are not satisfied with the terms and conditions, you may seek cancellation of the policy and in such an event, we shall allow refund of premium paid after adjusting the cost of pre-acceptance medical screening, if any, stamp duty charges, and proportionate risk premium for the period on cover, provided no claim has been made until such cancellation.

We wish you good health and we look forward to serve you in the days to come.

With kind regards,
